## Spring Registration 2022

### 1 Confirm Specialty Classes

December 20th-22nd

#### (✓) Confirm my child's specialty classes

- All specialty class offers will be sent via email by 9:00 am on **December 20th** at the latest.
- Click [HERE](#) for directions on how to view your child's schedule.
- If you like all the classes, **move to step 2**. If you want to make changes, email [director@psafterschool.org](mailto:director@psafterschool.org) for assistance.
- If you do not receive an invite for a class you applied for**, this means that unfortunately your child was not assigned through the lottery. Your child will remain on the waitlist for that class throughout the session, until an open spot becomes available.

### 2 Confirm Membership

December 20-22nd

#### (✓) ALL FAMILIES need a Spring Membership Type

- All families must select a membership type for the Spring session and set up a payment plan. You must be registered for all days you attend regularly or have a specialty program.
- (Unless your child does not attend regularly and is considered a Drop-In Student)

**If you have not signed up yet, click in the bubbles below to sign up for one of the 3 memberships:**

**1 Set Day, 2 Set Days, Monthly (3+ Days)**
